Volunteer recruitment is necessary for the PTO to continue to offer supplemental support for students' enrichment programs. We are very fortunate to have dedicated volunteers who help year after year, but we also welcome and need new ones every school year. By parents working together to provide such wonderful events and programs for our students, we are able to make the events/fundraisers more successful and rewarding for your children. If you are interested in becoming a volunteer for the PTO or to serve on the board, please feel free to contact a board member at any time. The PTO welcomes everyone wanting to volunteer for events and fundraisers throughout the school year.
